How can I import the My Ice Hockey calendar into my personal calendar?

Go as a **coach** to DASHBOARD - MY SCHEDULE or as a **player/staff** to DASHBOARD - OVERVIEW and click on iCAL.

You have the choice between two different import variants:

- **Get feed (recommended):** Import the desired link (Google, Windows Outlook or Apple) into your calendar. **All data will be updated regularly.**
- **Download file (not recommended):** Download this file and import it into the calendar of your choice. **Note that updates or new entries will NOT be added to your calendar.**
