## Where can I see an overview of the presence of the players (for practices and games)?

---

### For games:

**Go to:** GAMES - STATISTICS - ATTENDANCES - Select date  
Select between the whole age group or individual teams.

### For practices:

**Go to:** PRACTICES - EVALUATIONS - Select date  
Select between the whole age group or individual practice groups.

Click on a player to get detailed information about that player **(including practice analysis)**.

**Export:** If a practice group is selected, the attendance list can be exported to Excel.
